John Wright Restaurant, 234 N Front Street,
Wrightsville PA., 17368

We have reserved tables for 30 at the John Wright Restaurant. This is an opportunity to get those Thunderbirds out and show them off, so (if it's running) be sure to drive yours! And be in time for their 11am Prime Rib Buffett. **Let Cathy or Steve know by May 12th if you plan to attend.**

President's Message April 2025

Happy Easter!

We had 7 folks for Skip's outing to the **911 Center in Harford County MD** on March 18 and all agreed it was very informative. So much technology involved! Then we went to The Lodge after the presentation for a delicious lunch. It was a beautiful day.

Romancing the Chrome in Jarrettsville is coming up April 12. This is a fun show in a field in the country (with food trucks and porta-potties) and we'd like to have a good showing again this year. Please let Skip know if you plan to go so he can arrange a meeting place and caravan.

Dave Thomas also shared this with us. There is a **car show at the Cecil County School of Technology May 3** that might interest you. It's at 912 Appleton Rd, Elkton MD. The flyer is elsewhere in the newsletter. We already have some folks interested so let us know if you plan to attend and maybe we can caravan there.

We will be sending an email to get your shirt order after we get detailed pricing from Mike Melnyk.

Third Thursday MATC Breakfast meets at Bob Evans in Bel Air on the 3rd Thursday of each month (April 17 this month) at 9:30, and we are hoping to see some of you there since the weather is getting nicer. Please consider joining us and let Cathy know if you plan to so we will have a big enough table. Lately this seems to be just board members but we would love to have more of you there.

Phyllis Cherry is recovering nicely from her knee surgery and we look forward to seeing her out and about soon.

Thunderbird Friends Reunion #3, Carlisle, PA, June 6-8, 2025

A reunion of Thunderbird friends is again being planned in conjunction with the 2025 Carlisle Ford Nationals. We have again secured a block of rooms in the Carlisle area for the nights of Friday, June 6 and Saturday June 7, 2025. This allows for the group being together in the evening, for breakfast, etc. We have a block of 25 rooms guaranteed which can be increased as deemed necessary. The rate is \$185 per night, which is discounted from the standard rate, plus taxes. Room reservations can be cancelled up until 6 PM the night of the reservation. So there is no reason not to make reservations even if you are not sure you can make it. The rate includes breakfast and other amenities. We will also have the use of a meeting room as a hospitality room. There is plenty of free parking. The "host" hotel is:

Holiday Inn Express & Suites Carlisle Southwest I-81
1501 Commerce Ave
Carlisle, PA
717-241-0052

The hotel is an easy drive from the Carlisle Fairgrounds right off of I-81. The block of rooms will remain available until 30 days before June 6th it is imperative to make your reservations ASAP, **like right now**, even if you are not certain you can be there. The sooner reservations are made, the better the chance of increasing the number of rooms in the block if needed. It is fortunate that we were able to reserve a block of rooms and at a favorable rate. The online reservation link is below:

[Thunderbird Friends Reunion](#)

If the link does not work, call the hotel direct at the above number. We will provide more details as they become available. There will be a dinner on Saturday night, like this year, and Friday night too. We hope to have a larger tent this year as multiple clubs are expected to be included. **Please get your reservations taken care of early. Rooms are filling up now that VTCTI members have been notified of the reservation information. The earlier the room block fills up the better chance there is to expand it to add more rooms.**

Restaurant reservations have already been secured for Saturday night at the popular Rustic Tavern. It was a big hit last year and is back again by popular demand. There will be a dedicated menu, with advance selection required, similar to last year, that will be published later. The food is great and prices are reasonable.

We look forward to even more Fun, Fun, Fun in 2025.

The Revival of a Classic: Why the Ford Thunderbird Remains the

American Dream on Wheels

The Ford Thunderbird is an enduring icon of American style, power, and freedom. From 1955 to today, it remains one of the most beloved classic cars. Rediscover the legend — find your Thunderbird today.

By [Javier Cappiello](#)

In 1955, Ford Motor Company introduced the Thunderbird, a model that not only rivaled the Chevrolet Corvette but redefined what it meant to drive a personal luxury car in the United States. Initially designed as a sporty roadster, the Thunderbird — or “T-Bird,” as enthusiasts affectionately call it — captured the spirit of a postwar nation celebrating with style, power, and a sense of freedom.

Unlike its direct competitor, the Thunderbird emphasized comfort and elegance over pure aggression. Its aerodynamic design, luxurious interior, and powerful V8 engine made it an aspirational symbol of the American Dream. As noted by the Smithsonian Institution, **“the Thunderbird not only represented a new type of car, but a new way of life.”**

An Icon That Evolved Without Losing Its Soul

1960 Ford Thunderbird. Source: Gallery Aaldering.

Over eleven generations of production (1955–2005), the Thunderbird went through multiple transformations: **from a two-seat convertible to a four-door sedan, from a muscle car to a retro-futuristic coupe**. But what it never lost was its emblematic character. Every redesign of the T-Bird reflected the cultural trends of its time, from the chrome excesses of the 1950s to the clean, square lines of the 1980s.

According to Hagerty, one of the most respected insurers and analysts in the classic car market in the U.S., the Thunderbird is one of the most sought-after models among collectors: “Its historical significance, along with the variety of styles available over the years, makes it a must-have in any serious collection.”

2005 Ford Thunderbird. Source: Reddit.

The earliest generations (especially those produced between 1955 and 1957) are the most sought-after at auctions and collector events. Some examples have fetched over \$100,000 at auction houses like Barrett-Jackson and Mecum Auctions, particularly if they retain original parts or have been meticulously restored.

Why It Still Lives in America's Heart

1959 Ford Thunderbird. Source: Bring a Trailer.

The Ford Thunderbird is not just a museum piece — it's a time capsule representing a golden era of American automotive design. Its continued relevance is fueled by the booming classic car market, generational nostalgia, and its recurring presence in movies, TV shows, and vintage events.

For many, the Thunderbird represents an emotional connection to family history, youthful road trips, or the image of an optimistic and expanding United States. **Its relative affordability (at least in later versions) has also made it an ideal entry point for new classic car enthusiasts.**

Ultimately, the T-Bird secures its place as one of the most important classic cars in American history, and continues to be, in the words of automotive historian John Gunnell, **“the car that made luxury a popular aspiration, and automotive design a part of everyday art.”**
