## President's Message August 2020

Thanks to all who joined the ZOOM call on July 5 instead of picnicking at the Denhams. It was a pleasant get-together, although Cathy could not join because she was in the midst of a vertigo episode. Since she was in charge of games, we had to default to lively conversation.

We were pleased to see some of you were brave enough to attend the All Ford Nationals at Carlisle PA. Congratulations to MATC Member Calvin Hansford for winning 2<sup>nd</sup> place in the TBird Retro Division.

**Cherry's picnic** in the mountains that was planned for September has been **cancelled** out of an abundance of caution for health reasons. We should all keep John in our prayers as he battles cancer.

Don't forget we're still planning to participate in the outing that New Jersey Thunderbird Association has invited us to join. Hopefully it will be **October 23-25 at the Carriage House B&B in Ocean Grove NJ.** Lots to do nearby and it sounds like a fun time. Several couples have already expressed interest so please let us know if you want to join us. We forwarded an email from Marsha Dixon from NJTA with reservation information. You should already be reserving your room. [thecarriagehouseoceangrove.com](http://thecarriagehouseoceangrove.com) . [Here is some info from their website on the new policy for covid19:](#)

The MATC website, <https://midatlantictbirdclub.org/>, has been updated. Check it out. The secure members' page is gone and a lot of old newsletters are now posted. Also, the latest photos from the Thunderbird Appreciation Day picnic are up.

# All Ford Nationals 2020

*By Skip Panowitz*

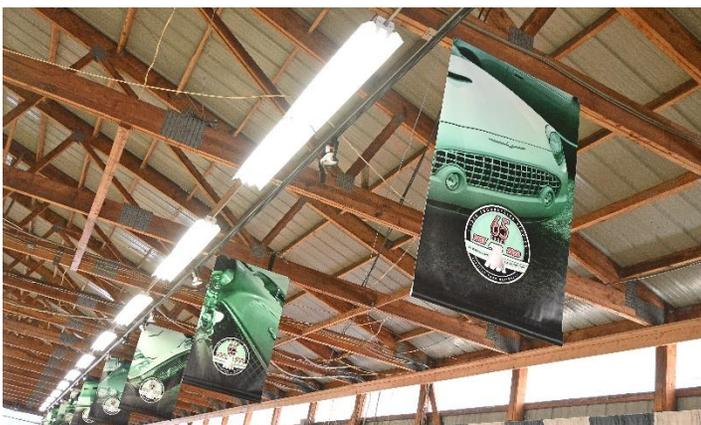

This year was a dual recognition for the annual All Ford Nationals gathering at Carlisle, PA. It was the 25<sup>th</sup> anniversary for the event and there was a 65<sup>th</sup> anniversary celebration for our Thunderbirds. The promoters of all of the Carlisle events have had numerous challenges this year because of COVID19. At first it appeared that none of the ten or so events would take place because of restrictions by the CDC and the state of PA. The state of PA even filed suit to prevent the Spring Carlisle event, and the others, from taking place. Somehow the Carlisle folks were able to convince the authorities that these events could be held in a safe, controlled manner. AFN was the third event to be held in 2020.

Tom Young and I ventured to AFN on Friday of the four day event. The weather looked very iffy so we did not make a final decision until Friday morning. I left home in a drizzle at about 7am, but by the time I met Tom along the way, and we actually crossed into PA, the rain subsided for the rest of the day. We arrived at Carlisle in mid-morning. The Thunderbird parking area was much better than usual. It was actually within a brief walking distance to the main display and vendor areas. But the impact of COVID was evident in that the number of Thunderbirds on the show field was much less than typical. There were around 12-15 when we arrived and a few more by the time we left in the late afternoon. A sampling is presented in the attached photos. The number of other Fords was much less also as was the number of vendors. There were plenty of Mustangs as on the show field, but again, fewer than typical. I understand that Saturday attendance was similar. Overall, it was a much different experience than I have been accustomed to. One big downside was that many of the TBird friends I look to socializing with were not there. But there were a few familiar faces.

There were a few bright spots. One was the TBird display in Building "T" in recognition of the 65<sup>th</sup> anniversary. Several generations of our Birds were represented. The banners on display were also very cool and represented each generation of Thunderbird. Also, one of our MATC members, Calvin Hansford, won the second place award for his 2003 in people's choice/participant judging.

Congratulations Calvin.

We all hope for a "normal" event next year.
