## President's Message October 2023

We had a great time at the annual **Cherry Fest** at Phyllis Cherry's camp in Western MD on Sunday Sept 17, as usual. It was a rainy day again this year but somehow we all fit in the cabin. Phyllis and her daughter did a great job. Skip presented prizes to winners of the last few Thunderbird trivia pictures in the newsletter, and we had a group birthday cake for all the September birthdays. We were pleased to see new and old members there. Next year we might need to plan for a rain date...

We had to cancel our joint trip to NJ with the LVTC and NJTA due to illness on many folks' part. Marsha Dixon did a lot of work to set it up, so we hope to try again in the spring.

**The Rockville MD Car Show is Oct 14 from 11-3:30 (show cars 8:30).** Some of our cars are old enough to be shown and the retros could go as visitors. Skip pointed out that we used to have a big presence there and Bob & Kathy Ridolfi won the Mayor and Council Award in 2022 for their Cadillac Biarritz. Congrats to them! Please contact Cathy on 443-417-0441 if you would like to go with us as a group. We'll look for a place for ice cream after the show.

**MATC's 50th anniversary as a club is next year, 2024.** That's a big milestone! We'd like to celebrate in a big way and use the anniversary to advertise the club. Please let us know if you have any ideas for it.

We have a Board Meeting coming up October 8. Please let any board member know if there is anything you would like the board to consider or discuss.

The annual election is coming up in November for VP and one board member. Look for the ballot in next month's newsletter.

The **Christmas Party is Saturday, Dec 2 from 11-3 this year is at Friendly Farm in Upperco MD.** They have recently remodeled the banquet room and it's in a rustic farmhouse chic motif. Should be pretty with holiday decorations. The registration form is included in this newsletter. We hope to see a lot of you there to enjoy country food with us.

Congrats to our VP Mike Melnyk on being selected as the Northeast Regional Director of Vintage Thunderbird Club International. We hope to get good coverage for MATC in the club now so let's be sure to keep Mike informed of our activities and events.

*Cathy & Steve*

## Upcoming "Thunderbird" Events 2023/2024

### **Rockville, MD Annual Car Show, October 14, 2023**

The Rockville Show was always a major annual event for MATC in the past. Many of our members still attend as well as our friends from the Potomac Thunderbird Club. Participation has dwindled a little as our membership became more central Maryland focused and many of our newer members have newer cars which do not meet the minimum 25 year old requirement of the show management and AACA. But now every Thunderbird meets the 25 year requirement except the retros, and some of us are only a few years away. The Board and officers of MATC would like to get more involved in this very large, well-attended, and important car show if only as visitors. The number and variety of cars on the show field is overwhelming, plus there are automotive themed vendors too. It is well worth the trip. Check out the registration form at [www.rockvillemd.gov/carshow](http://www.rockvillemd.gov/carshow). It is too extensive to include in the newsletter plus it is fillable. Bea and Orville Zastrow were very actively involved with the show in the past and their son Earl has taken on some of those responsibilities. Plans are being considered to make this a MATC event even for those who do not show a car. Stay tuned.

### **Thunderbird Friends Reunion #2, Carlisle, PA, May 31-June 2, 2024**

A reunion of Thunderbird friends is again being planned in conjunction with the 2024 Carlisle Ford Nationals. This time we started our homework early and have been able to secure a block of rooms in the Carlisle area for the nights of Friday, May 31 and Saturday June 1, 2024. This allows for the group being together in the evening, for breakfast, etc., which was not the case this year. We have a block of 25 rooms guaranteed which can be increased as deemed necessary. The rate is \$185 per night, which is discounted from the standard rate, plus taxes. Room reservations can be cancelled up until 6 PM the night of the reservation. The rate includes a breakfast and other amenities. We will also have the use of a meeting room as a hospitality room. There is plenty of free parking. The "host" hotel is:

**Holiday Inn Express & Suites Carlisle Southwest I-81**  
**1501 Commerce Ave**  
**Carlisle, PA**  
**717-241-0052**

The hotel is an easy drive from the Carlisle Fairgrounds right off of 1-81. The block of rooms will remain available until 30 days before May 31st, so it is imperative to make your reservations ASAP, **like right now**, even if you are not certain you can be there. The sooner reservations are made, the better the chance of increasing the number of rooms in the block if needed. It is fortunate that we were able to reserve a block of rooms and at a favorable rate. The online reservation link is below:

### **[Thunderbird Friends Reunion](#)**

If the link does not work, call the hotel direct at the above number. We will provide more details as they become available. There will be a dinner on Saturday night, like this year, and possibly Friday night too. We hope to have a larger tent this year as multiple clubs are expected to be included. **Please get your reservations taken care of early**. We look forward to lots of Fun, Fun, Fun in 2024.

VTCI 2024 International

August 7th-11th

GRAND RAPIDS

MICHIGAN

#### Tentative Schedule

Wednesday	Afternoon	Tour: Gerald R Ford Presidential Museum
	Evening	Event: Welcome Reception
Thursday	Morning	Meeting: VTCI Board of Directors / General Meeting
	Afternoon	Tour: Frederik Meijer Gardens & Sculpture Park
Friday	Evening	Event: Birds, BBQ and Beer (Patio)
	Morning	Tour: Gilmore Car Museum
Saturday	Evening	Event: Friday Night Social
	Judgment Day	Meeting: Owners & Judges
Sunday	Evening	Event: Concours Judging
	Evening	Event: Awards Banquet
Sunday		Bon Voyage ... Have a Safe Trip Home

#### Proposed Tours

	<b>Gerald R Ford Presidential Museum</b> ... whatever your politics, the opportunity to explore the role one man played in American history for over 50 years. There's also a chance to explore the "woman behind the power" as Betty Ford's contribution to history and our culture is emphasized. ... and no, that oval office is not Rod Wake's
	<b>Frederik Meijer Gardens &amp; Sculpture Park</b> ... our love for Mother Nature may equal the way VTCI members treasure their T-Birds, but appreciation for the beauty of a formal garden is brought together with the art of sculpture in one of Michigan's most popular attractions ... sorry, no T-Bird sculpture to be found!
	<b>Gilmore Car Museum</b> ... OK automobile enthusiasts, there may not be a bevy of T-Birds located in one of America's most prestigious auto museums, but there still plenty to enjoy over a day's visit - including the opportunity to ride in some of these older treasures - unfortunately, none meet Paul Prokop's high standards for concours judging!

#### 2024 VTCI

#### International Convention

August 7-11, 2024

Grand Rapids MI

Earlier in 2023, the VTCI signed a contract to bring "The VTCI Experience" to the largest metropolitan area in Western Michigan ... Grand Rapids. The idea to bring the VTCI to the Grand Rapids area originated with former Vice President, **Ed Elzinga**, who not only provided the idea, but also the basic agenda for this convention.

Starting in 2022, the Board of Directors began working with the Experience Grand Rapids Convention and Visitors Bureau. As Interim Regional Director for the Northeast Region (NE), VTCI's Vice President, **Bob McNeill**, working with the North Central Region's Director (NC), **Larry Graham**, began to explore hotel options and potential tours to serve VTCI's members. An exploratory information sheet was provided to various hotels and proposals were solicited.

Joined later by the real management team of **Terri McNeill** and **Kate Graham**, Larry, Bob and company visited the Grand Rapids area in April 2023 to review the hotels and evaluate each hotel to enable the best choice for the club. The eventual choice:

**DoubleTree by Hilton**  
**Grand Rapids Airport**  
**4747 28<sup>th</sup> Street SE**  
**Grand Rapids, MI 49512**  
**\$105 / Night**

# In Memoriam: Lois Eminger (1920-2008)

*Known as "Mrs. Thunderbird" at Ford Motor Company*

Lois Eminger worked for Ford Motor Company in Dearborn, Michigan, and eventually retired after many years of service to the company. She had earned the nickname of "Mrs. Thunderbird" among Ford employees, and for good reason. She was the lady given the task of communicating with Thunderbird owners who corresponded with Ford about their cars, especially if it were an older model that was no longer covered by a warranty. This author remembers well the letter received from Mrs. Eminger in 1973 when I wrote to Ford inquiring about how to purchase a Shop Manual and an Owner's Manual for my 1966 Thunderbird. In her letter to me, she explained that she was known as Mrs. Thunderbird, and went on to advise me how to order the literature I had inquired about.

While employed at Ford Motor Company, Eminger discovered that original invoice copies were being destroyed when no longer needed. These invoices are actually the #2 sales copy, and were one part of the multi-part form that also produced the window sticker that appeared on new car windows. Eminger felt this information might be of importance to people down the road, so she asked for permission to save these copies for future reference, and permission was granted by Ford for her to do so.

Eminger was the original owner of a Dusty Rose 1957 Thunderbird, known as the "Pink Lady," and had membership number 0004 with the Classic Thunderbird Club International (CTCI). By all accounts, she was a very lovely lady that everyone enjoyed knowing, and she certainly shared a strong admiration for the Ford Thunderbird, as well as other Ford cars. Eminger often wore pink, which was her favorite color. People who requested invoice copies or other information often received a handwritten note from Lois as well, which shows what a true enthusiast she was. She was reportedly thrilled to receive an invoice request and discover it was for a particularly rare car and was happy to know that it had survived and was in the hands of someone who was caring for it.

The exact accounting of how Lois Eminger came to save all these invoices was told by Eminger herself in the 1990s: In 1967, Lois worked in the Legal Department at Ford, and needed to research a particular 1955 Thunderbird. When she asked the people in archiving for the invoice, she was told that they were all thrown away after 10 years, which of course meant that the information she needed had been destroyed two years earlier. Concerned about this newly revealed information, she asked Ford management for permission to have the archive send her all invoices instead of destroying them. She received the OK, and from that point forward the original invoice copies were sent to her. When one considers the monumental task of storing all these invoices over the years, it's apparent Eminger's dedication to the classic Ford hobby was very strong. She said she stored the invoices in envelopes, each of which contained about 50 invoices.

For many years, Lois Eminger supplied original invoices to Ford Motor Company vehicle owners. They only needed to provide proof of ownership for their vehicle and pay a modest fee. Countless rare cars have been documented over the years thanks to Eminger's foresight to retain these invoices. In her later years, Eminger sold her invoices to Kevin Marti of [Marti Auto Works](#) [link opens in new window], who now provides them to owners with proof of ownership (copy of title or registration), and upon payment of a fee. (Click the link for details.)

In addition to her 1957 Thunderbird, Eminger has garaged various Ford cars over the years, including a 1967 Ford Mustang Hardtop, 1967 Ford Mustang Convertible, 1971 Ford Mustang Mach 1, and a 1963 Ford Thunderbird Sports Roadster. Most of them were reportedly painted pink (the Sports Roadster is Rangoon Red). Lois C. Eminger died on Sunday, August 24, 2008, in Spokane, Washington after an extended illness.

*Editor's Note: Lois is well known in Thunderbird history circles, especially related to the "little" Birds. Thanks to Earl Dickinson for submitting this article.*
