MID-ATLANTIC THUNDERBIRD CLUB Charter & Founding Chapter, International Thunderbird Club

<http://www.midatlantictbirdclub.org>

This Month in *Thunderbird* History:

- October 1, 1908: Production of the iconic Model "T" begins. The granddaddy of the Thunderbird.
- October 22, 1954: Production of the iconic Thunderbird begins with the 1955 model. The day the "Fun, Fun, Fun" commenced.

Mark Your Calendars For These Great Activities & Events:

Third Thursday TBird Lunch- October 16, 2025 @ 11:30 am****

Madonna Seafood House, 4105 Norrisville Road, White Hall, MD 21161

You read that right. Lunch, not breakfast. Same time. A New Location, again. .

We are testing the waters to see if this might be more convenient for folks.

Please let Cathy know by September 13th if you plan to attend.

Saturday October 11/Sunday October 12, 2025

Western Maryland Weekend Ride

This will be similar to the ride to the Western MD Railroad a few years ago, which was very well attended. It will include a visit to the Washington County Rural Heritage Museum (\$4) in Boonsboro MD and a ride on the Gettysburg Excursion Railway (\$27), a new 1950 era train ride in the country. Plans are to do the Museum Saturday at noon (estimated to take 1 hour), then "mess around Boonsboro a while including lunch", then drive to the Frederick area before dark (about an hour ride), have dinner there and spend the night. We've blocked rooms at the Sleep Inn in our name and you pay for yours when you get there. Then drive up to Gettysburg on Sunday and ride the train at 10am or 12:30 and head home after lunch there somewhere. **Let Cathy know**

of your interest by October 7th!

Sunday December 14, 2025 – 12:00 pm to 4:00 pm

2025 Mid Atlantic Thunderbird Club Christmas Dinner

Dobbin House / Gettysburg Pennsylvania. Full details and registration form will be included with the November newsletter.

**Also the election ballot will be included as well. If you are interested in running for an office let Cathy know ASAP. Officers to be elected include:
Vice-President, Treasurer, Board of Directors member (one).**

President's Message October 2025

We had our **Third Thursday Thunderbird lunch** in September at **Madonna Seafood Restaurant**, where we had a nice turnout again. Unfortunately, the sunflowers we hoped to get photos with were all turned away from the parking lot, so the Birds couldn't get in there with them... We'd like to meet there again **October 16 at 11:30** so let us know if you'd like to join us. There is a cute little nursery/store nearby where you might find some nice fall decorations/plants.

What is it about our annual **Cherry Fest** that makes it rain? Phyllis graciously planned for us to meet indoors at the cabin as we've done a lot in the past and we had a great time. Lots of awards for trivia and Skip was presented with the **Gold Award for Newsletter Excellence** that Mike Melnyk picked up for him at the VTCL convention in Texas in September. Congrats to Skip, he does a fabulous job on our newsletter and if you check other Thunderbird Clubs' websites online and compare ours to theirs you will see how ours stands out.

We are proposing a **Weekend Ride** for MATC, similar to the ride to the Western MD Railroad a few years ago, which was very well attended. Skip suggested Washington County Rural Heritage Museum (\$4) in Boonsboro MD and the Dickinsons suggested Gettysburg Excursion Railway (\$27), a new 1950 era train ride in the country. We are planning October 11-12. I'm thinking we could do the Museum Saturday at noon (probably only takes 1 hour) and mess around Boonsboro a while including lunch, then drive to Frederick area before dark (a little less than an hour ride), have dinner there and spend the night. We've blocked rooms at the Sleep Inn in our name and you pay for yours when you get there. Then drive up to Gettysburg on Sunday and ride the train at 10am or 12:30 and head home after lunch there somewhere. Let us know your interest ASAP!

Don't forget the **Rockville Antique and Classic Auto Show** on October 18. Our retros are still too new to show but some of the older cars might take a prize.

The Car & Cruise Guide folks are planning a huge **ride to the Perry Point VA Center again for Veterans Day, November 8 at 1pm**. Staging area Perryville Fire Co. 920 Principo Furnace Rd. Perryville, Md. If interested let us know and we can meet up before and ride there together. It was amazing last year and the vets are so happy to see us!

Also, **elections** will be coming up in November. If you'd like to serve your club in any way, let us know and we'll find a place for you.

Christmas Dinner will be at Dobbin House again, Sunday, December 13, 12-4pm to make everyone happy! Registration Form in next month's newsletter.

Thanks,

Cathy & Steve

FORD

DIVISION OF *Ford Motor Company*

L. W. SMEAD
GENERAL SALES MANAGER

PLYMOUTH AND MIDDLEBELT ROADS, DETROIT, MICHIGAN

MAILING ADDRESS
P. O. BOX 658, DEARBORN, MICHIGAN

November 15, 1955

Dear Mr. Car Owner:

No one likes to talk about accidents ... but let's face it: automobile accidents do happen ... and occupants are injured. In alarming numbers, too!

Realizing the tremendous accident toll, the Ford Motor Company and the Ford Division decided to do something to help reduce the injuries that accidents so frequently cause. The result was the development of Lifeguard Design ... a new concept in passenger-car safety.

I am enclosing with this letter a booklet which gives you the "behind the scenes" story on Lifeguard Design and what it can mean to you and yours.

I am sure you will want to know more about Lifeguard Design after reading the booklet, so I hope you will visit your Ford Dealer for a demonstration of our new safety features. I have enclosed my personal card for you to present to him and have alerted him that you may be stopping in for a visit.

If you would like to test drive the new Ford, your dealer will be glad to arrange it. And when you do -- you'll discover something more -- that the new Ford is amazingly like the famous Ford Thunderbird in both its styling and action.

Meanwhile, thanks for your interest ... and best wishes for safer, happier motoring.

Very truly yours,

Ford was ahead of the pack promoting safety in its cars. And folks did not seem real interested at the time. It is interesting that this letter did not include Lee Iacocca since he was instrumental to the Lifeguard Design program. His "\$56 for 56" campaign (purchase a new Ford for \$56 a month) was much more successful and catapulted his career at Ford. Lifeguard Design were a deep-dish steering wheel, padded dash & sun visors (optional), seat belts (optional), break away rearview mirror, and double grip door latches (doors less likely to be forced open in a crash). ed.

Original Concept Design for the Bullet Birds of 1961-63. Ford management really was impressed with it but thought it was better suited for the Lincoln Continental. And the rest is history as they say.

The beginning of Thunderbird Generation Two

FROM FORD... the fine car of its field...

Totally New Power

The '55 Ford puts a wonderful new kind of power at your command.

It's Trigger-Torque power... power that takes hold instantly, responds at once to your every demand. You get just the extra "thrust" you need at the rear wheels for agility in traffic or passing on the highway with peace of mind. And, you can enjoy this Trigger-Torque power with any of Ford's 3 new and mighty engines for 1955.

In addition to new power, Ford brings you new Speed-Trigger Fordomatic Drive. It's more versatile than ever with a new automatic low gear for lightning fast starts... an automatic intermediate gear for extra passing ability at highway speeds. Or, if you prefer, you can have economical Ford Overdrive.

Test yourself to a Trigger-Torque Test Drive at your Ford Dealer's.

New Y-BLOCK V-8 makes Trigger-Torque power your most obedient servant. A new, more powerful Special V-8 is available in Fordomatic Fairlane and Station Wagon models. New J-Block Six is available in all models.

...in four new lines of cars with styling inspired by the Thunderbird

This year's Fords—all 16 new body styles—were designed with striking likeness to the new Ford Thunderbird, the most sophisticated personal car ever to grace the highways. You see it in the long, low lines... the wrap-around windshield... the rich interiors.

New CUSTOMLINE series. Like all '55 Fords, the Customline Sedan (illustrated) and Fordor bring you a new Angle-Peek ride that makes even smooth roads seem smoother.

New STATION WAGON series. Largest choice of any make! Illustrated, the 8-passenger Country Sedan. With rear seats stowed away, it has almost 9 feet of level cargo length.

New FAIRLANE series. The new 4-door Fairlane Town Sedan (illustrated above) is but one of the six distinguished models in

this all-new line, which also includes two new Crown Victorias... new Runners... new Victors... new 2-door Club Sedans.

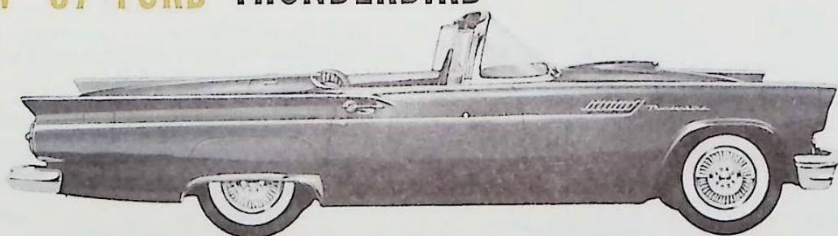

New MAINLINE series. A new Business Sedan joins the Fordor (illustrated) and Tudor models. As in all '55 Fords, there are new larger brakes... new tubular tires.

'55 Ford

WORTH MORE WHEN YOU BUY IT...
WORTH MORE WHEN YOU SELL IT!

NEW '57 FORD THUNDERBIRD

The '57 Thunderbird has newly-styled front and rear bumpers, wider checkerboard grille, and is 1/2-inch lower than in 1956. Wheelbase remains at 102 inches. Rear fenders feature the 1957 Jet Tube taillights and Hi-Canted

Fins. Rear deck is longer and trunk holds spare tire *plus* an extra cubic foot of cargo. Padded instrument panel and cushioned sun visors are standard. Six all-vinyl interior trim schemes are offered.

THUNDERBIRD PROMOTIONAL MODEL CARS

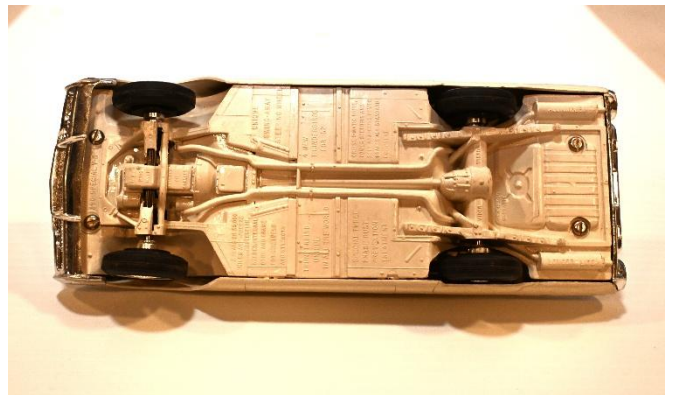

Through the very gracious generosity of club member Dave Shelton, we have four (now three-thank you Scott!) Ford Thunderbird promotional model cars available for purchase by club members. If you are not familiar with “promos”, they were produced by various model manufacturers for the car manufacturers from the late 1940s through 2017. They were most available and popular in the 1950s and 1960s. They are detailed, accurate models of the cars they represent. Car dealers gave them to customers who bought the real cars and they sold the models as well. The car manufacturers distributed them for promotional purposes, hence their name. They were also sold at various retail outlets, but these versions are slightly different in that they have flywheel motors to propel them. Although these versions were unfortunately often purchased as toys, they are still truly collector items. The cars MATC has available are true dealer promos, also referred to as coasters as they do not have the flywheel motors (with one exception, the 1957, which was only available in the version offered). The true dealer promos tend to be slightly more valuable, but condition, color, etc., is always the most important factor.

It has been decided the the funds from the sale of these cars would be donated to our charitable partner **“Custom & Classic Car Education Foundation”**(savethehobby.org). Checks for the purchase of the model cars should be made payable to the CCCEF. So you not only get a great collectible, but you support a great cause as well. The cars being offered are in very good to excellent condition. The price of the cars is **\$45** each. I will have them available at the “Cherry Fest” in a few weeks as well as future MATC events.
