Thunderbird Bird Breakfast in Bel Air,

Nov 21, 9:30 AM Greek Village Diner, 129 Baltimore Pike, Bel Air, MD 21214

Conowingo Veterans Center

Sunday, November 10, 1:00 pm

775 Ragan Road, Conowingo, MD 21918

We will be spending the afternoon with the veterans who live in the Conowingo Veterans Center in Cecil County. We will treat them to a Fried Chicken Dinner with all the extras and give them a chance to view our cars. Phyllis Cherry is coordinating our visit. Please make every effort to attend this important event as we honor our veterans. **ITEMS TO BRING:**

- * **A-M:** Salad or Casserole, **N-Z:** Desert
- * Large bottle of Soda or iced tea or water bottles
- * MATC will provide Fried Chicken, Plates, Cups, Utensils,, Napkins, etc.
- * Books, Magazines, Puzzles, Games, Art Supplies, DVDs, or Toiletries for Veterans.
- * Your Thunderbird to display and share with the Veterans
- * If you are a Veteran, wear or bring something symbolic of your service.
- * Wear your MATC 45th Anniversary T-Shirt

RSVP to Skip, (skip.panowitz@yahoo.com) or Phyllis, (pacherry@comcast.net) by Nov 7.

If you are not able to attend but would like to support the Veterans send a check or money order to the Treasurer, Harry Skruch, to offset the cost of the event. You can also provide some of the items noted above

November Event: Officer Election

November is election for the offices of President, Secretary and the Board of Director's position. Election ballot is in this Newsletter. Please complete the ballot submit it to Judy Dickinson.

2019 Membership Renewal

The 2019 Membership Application is included as part of the newsletter. Fill in your personal information and mail the notice along with your payment to the treasurer. Payment is due by March 1, 2019. Membership payment may be included with your Christmas Party reservation. Thank you for your continued support of MATC.

December Event

Annual Christmas Party

December 15, Sunday 1:00 PM

The Dobbin House, 89 Steinwehr Avenue, Gettysburg PA

Prepaid reservation is required.

Menu, Directions , and Reservation Form Attached.

This is one of MATC members' favorite events. We have been going to the Dobbin House for our Christmas Party for many years and each year members vote to return the next year. The historic Dobbin House is beautifully decorated and you may also browse their unique gift shop. Come and enjoy a good meal and fellowship with fellow Thunderbird fans.

NOVEMBER BIRTHDAYS

John Cherry

Jean Hill

Robin Luber

PRESIDENT'S MESSAGE – NOVEMBER/DECEMBER 2019

We have had some great fall weather for cruising and enjoying our cars so far. Except for the much needed rain. But it won't last for long, so enjoy it while it lasts.

MATC had a great showing at the brunch gathering on October 20th sponsored by the North Jersey Thunderbird Association. The North New Jersey Thunderbird Club, the Lehigh Valley Thunderbird Club and the Open Road TBird Club were represented along with MATC. It was great to see old friends from the Thunderbird hobby that we have missed since the glory days of national conventions before the recent changes in national club management and philosophy. It was like the good old days of the Thunderbird hobby. These folks represent the heart and soul, the brain trust, of the hobby, in my opinion. Like me, many have been part of, have supported, and have been instrumental in moving appreciation for the iconic Thunderbird forward for 40 years or more. Dwight and Marsha Dixon did a great job in choosing a venue that was perfect for the event. They have indicated that consideration is being given to expanding it to an overnight or even weekend event in the future. Sounds like a great idea to me!!

In case you didn't know, **October 22** is an important day in Thunderbird and automotive history. On that day in **1954**, 65 years ago, the iconic **Ford Thunderbird** went on sale. And the rest is history as they say. Certainly a day to celebrate.

The annual election ballot is included with this newsletter. You will note that my name does not appear as a candidate for president. I have given this some hard and long thought and have decided it is time for someone else to take the reins. Change is often very good with new players bringing new ideas and a new perspective to an organization's operations. I have enjoyed being your president for the past 14 years (*yes-14 years!*) and I appreciate the support of the Board of Directors and membership during this time. I know the new president will carry on the traditions and spirit of the club, and the Thunderbird hobby for the future. Please extend the same support to the new incumbent. Oh, and just in case you are thinking "finally, we're getting rid of him!", I am not going away. It is the MATC policy for ex-presidents to be part of the Board after their last term in office. I plan to continue to work with and support the club's objectives and activities in the future.

Barb and I wish each of you and yours a Merry Christmas. We hope you have a happy holiday season, and a Happy New Year. We look forward to seeing all of you at a future MATC event. And enjoy those Birds while the weather is still cooperating.

The Mid-Atlantic Thunderbird Club is a Tax-exempt Association under IRC 501 (c) (7).

One aspect of tire sizing that is often confused is aspect ratio. The aspect ratio is a tire's section height as compared to its section width. The aspect ratio is often referred to as the tire's "series." With that in mind a 50-series tire has a section height that is 50-percent of the section width.

Of course, the section width can change on a tire in relation to the width of the wheel on which it's mounted. As the aspect ratio decreases, it is important to use a wheel that is closer to the section width. For example, a 50-series tire and larger should have a wheel that measures 70-percent of its section width, and a 45-series tire should have a wheel that measures 85-percent of its section width.

The ratio between the section width and the wheel width is very important in selecting the right wheels and tires for your ride. Choosing a wheel that is too narrow will cause the sidewall to balloon and will allow the tire to distort excessively under hard cornering, resulting in sloppy handling. Choosing a wheel that is too wide for the tire can cause it to pull away from the wheel at high speed and will give the car a much harsher ride. The loss of curvature in the sidewall will not allow the tire to flex as far, resulting in a ride where every pothole feels like a crater.

Most tire manufacturers publish guides for their various tire lines, complete with the range of wheel widths that are best suited for each tire size. Sometimes the best tire for your car is not necessarily the biggest tire that will fit, and taking the time to thoroughly explore your options before you pull out your wallet will reap far greater rewards down the road. <https://www.classiccarrestorationclub.com/article/understanding-tire-aspect-ratio/>

2003 Ford Thunderbird

Maryland State Inspected and Ready to Roll

Asking Price:

\$12,300.00

Contact:
